		* (make the size closest to your average manufacturer's dress size--if you fall between e.g., sometimes wear an 8 and sometimes a 10, opt for the smaller size if you want a fitted look or larger if you want relaxed look)	* OR SIZE TO OBTAIN GAUGE. AddiTurbo circulars are recommended for large-gauge projects	These patterns are meant to be flexible and allow for mixing several strands of basic yarn types to obtain gauge. For specific brands, see suggested yarns below this chart.	Please check gauge carefully for best results
